

Apex is based at Sivakasi, Tamilnadu, South India, a town famed for its thriving Match Box, Fire crackers, and Stationary items. Apex is a truly unique venture, which has seen the coming together of six successful companies, for delivering increased volumes, while adhering to the highest standards of quality. Apex is already a name to reckon with when it comes to quality products.

We, as a Company have a keen focus on quality and have a responsive management team which strives for customer satisfaction at every level of the business cycle

Notebooks

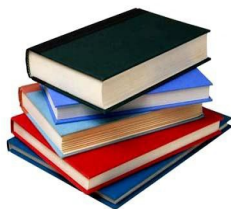

Note Books - Soft Cover

These notebooks are ideal for students, creative artists and professional. The soft cover notebooks are more flexible and its comfort to use anywhere. The binding is of quality light & soft material and the notebooks do not crumple or become torn even with frequent usage.

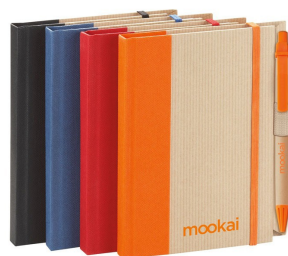

Note Books - Hard Cover

Hardcover notebooks are more known for high durability. The hard notebooks have covers of 150-300 GSM and can be made with high quality Duplex boards, Bristol boards, Art Boards etc. with a superior finish. These notebooks are made off high quality heavy paper and are perfect for any purpose.

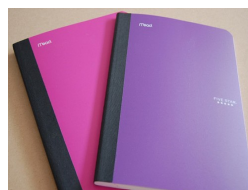

Accounts Note Books

Accounts notebooks are tight bound note books which lasts for years. It is highly suited for maintaining all sorts of official records. The note books are hard bound and have a thick, durable cover made up of high quality paper boards, leatherette etc. The paper used is treated specially to prevent oxidation over time; hence all the records noted stay intact for a number of years.

Long Size Note Books

Long size note books hold more content on a single page thus helping uninterrupted writing. These are of excellent use in writing compositions, essays, thesis, dissertations etc. We can create fancy covers for such notebooks on request. Our range of long size notes books are durable and have less wear & tear.

Multi-subject Note Books

Multi-subject note books are notebooks which have 4/5 sections. We provide these notebooks with properly separated sections with attractive markers so that the user can easily and quickly attain the required information. These note books offer the prime advantage of writing different subjects in a single note book and that too in a well organized / segregated manner. Standard multi-subject note books come in spiral binding with a hard outer cover for durability
